Mr. Scott R. Brown
Petroleum Engineer
Western Natural Gas Company
Jal, New Mexico

Dear Mr. Brown:

Your forms C-110 and C-105 were received and approved February 16, on the Maggie Dunn #2 Well, Sec. 34, T. 24S, R. 36E, Lea County, New Mexico.

Upon checking my files I now find that you have filed only a Form C-101, Notice of Intention to Drill, and these two reports. Will you please file the casing reports on this well immediately in order that our files will be complete and we will not have to cancel the Form C-110, Certificate of Compliance and Authorization to Transport Oil.

Thank you for your attention to this matter.

Very truly yours,

Secretary - Hobbs Office
