New Mexico Oil Conservation Commission  
P. O. Box 871  
Santa Fe, New Mexico

Attention of Mr. W. B. Macey:

Subject: Application for Non-Standard  
Gas Proration Unit for  
Southern California Petroleum Corp.  
Van Zandt well No. 4  
SW $\frac{1}{4}$  NE $\frac{1}{4}$ , Section 25, T24S, R36E  
Jalmat Gas Pool  
Lea County, New Mexico

Gentlemen:

By this application, Southern California Petroleum Corporation respectfully requests administrative approval for a Non-Standard Gas Proration Unit under Rule 8, Order 640 and Rule 3, Order 520.

1. Acreage involved - SW $\frac{1}{4}$  NE $\frac{1}{4}$ , Section 25, T24S, R36E, Lea County, New Mexico (40 acres).
2. Well involved - Van Zandt Lease, well No. 4, located 1650 feet from the north line and 1650 feet from the east line of Section 25, T24S, R36E, Lea County, New Mexico.
3. The well is now producing from the horizontal and vertical limits of the Jalmat Pool, as defined by Order 640 with a gas-oil ratio of 149,667 to 1, which automatically classifies it as a gas well.
4. As outlined by a letter from Mr. A. L. Porter, Jr. dated October 4, 1955, we request that this well be removed from the oil proration schedule and subsequently granted a 40-acre gas allowable in the Jalmat Gas Pool. The granting of this application will not affect adversely any offset operator but will protect the correlative rights of the undersigned.
5. A plat is hereby attached to this application showing (a) acreage to be dedicated, (b) well location, (c) offset ownership.
6. By copy of this application, sent by registered mail, all offset operators as listed below have been notified.

1-The Texas Company
