Dear Sir:

We sent in a notice the 10/30/34 of intention to drill a well on the A.J. Harrison Farm as well #1 SW of SE<sup>1</sup> of Sec. 26-24s-R-36e. This will be located 660' North of South line 1980' West of East line in Lea Co. New Mexico, in the Cooper field. In checking this we find we have made an error in the land owners name. Instead of A.J. Harrison it should read C.W. Woolworth. Will you please change your form SG-101 to read the same.

Thanking you in advance, we are

Very truly yours

F. Schneider
