Dear Sir,

You reported that your well, the Woolworth No. 1,
located in unit H, sec. 26, T 24 S, R 36 E, was plugged in July 1972.
Since this date we have received no notification that this well is
ready for final surface inspection. If the surface is ready, please
notify us. If it is not, clean up this well location as soon as possible,
and notify us when the work is completed. The Oil Conservation Division
feels that you have had more than adequate time to get this P&A location
in shape.

Sincerely,

OIL CONSERVATION DIVISION

John W. Runyan
Geologist
