NEW MEXICO STATE LAND OFFICE Santa FE, New Mexico

DEPARTMENT OF THE STATE GEOLOGIST NOTICE OF TEST OF WATER SHUT-OFF

Notice must be given to the State Geologist or to the proper Oil and Gas Inspector at least five days before the test. It is desirable that a representative of the Department of the State Geologist witness the water shut-off before drilling into the productive sand whenever possible. If changes in the proposed plan are considered advisable, a copy of this notice showing such changes will be returned to sender. Submit this notice in duplicate.

Mr. 2. 2. Velle . State Geologist, Santa Fe, New Mexico. Dear Sir: You are hereby notified that we intend to test the shut-off of water in Drevel: You are hereby notified that we intend to test the shut-off of water in Drevel: You are hereby notified that we intend to test the shut-off of water in Drevel: You are hereby notified that we intend to test the shut-off of water in Drevel: You are hereby notified that we intend to test the shut-off of water in Drevel: You are hereby notified that we intend to test the shut-off of water in Drevel: You are hereby notified that we intend to test the shut-off of water in Drevel: N.
