Mr. Larry Folmar
The Texas Company
P. O. Box 1720
Ft. Worth, Texas

Dear Mr. Folmar:

Please file Form C-110 showing the proper field for the following wells:

Ogg (a) No. 1	Jalmat
Ogg (a) No. 2	Jalmat
State "B" no. 5	Cooper-Jal

After examination of the requested information, I find that my classification was not correct, and it should be as stated in your letter to this office. Larry, I want to thank you for your attention to this matter, for it is not impossible that the status of certain wells could be affected.

The October proration schedule will not show the correct pool designation, but the corrections will be made on the November schedule.

Very truly yours,

OIL CONSERVATION COMMISSION
