This form is to be used in compliance with Rule 101.

If this is a request for allowance for a newly drilled or deepened well, this form must be accompanied by a tabulation of the deviate facts which will be performed with Rule 101.

Each page of this form must be filled out completely for all wells.

For each pond, sections I, II, III, and VI for changes of two
predominant organisms, or more, are recorded after each change of season.
For each pond, a 100% count is filled for each pond in each
