

Wood River Oil & Refining Co., Inc.

Petroleum Products

321 WEST DOUGLAS WICHITA, KANSAS

December 22, 1955

New Mexico Oil Conservation Commission
P. O. Box 2045
Hobbs, New Mexico

Attention: Mr. A. L. Porter, Jr., Proration Manager

Gentlemen:

We are in receipt of your letter of December 19, 1955, pertaining to change of ownership on State #1 and #2, Sec. 2-24-37.

We are returning C-110's submitted December 15, 1955, together with a certified copy of resolution by the Board of Directors authorizing the change in name from Blount Drilling Company, Inc. to Clover Oil Company, Inc. Clover Oil Company, Inc. (formerly Blount Drilling Company, Inc.) is a subsidiary of Wood River Oil & Refining Co., Inc., and under agreement dated October 18, 1955, Wood River assumed the operation of the State lease described above, but did not acquire ownership of the property. Wood River is presently bonded to insure plugging of wells operated by them.

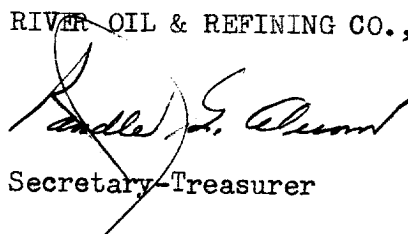

We are now in process of cancelling bonds provided when Blount (now Clover) was the operator of the property.

We trust that this additional information and documentation will permit you to process the enclosed C-110's.

Yours very truly,

WOOD RIVER OIL & REFINING CO., INC.
