17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

We request approval to maintain this well in the Yates Gas Zone SI. This well is a dually completed well operated by Getty Oil Co. and Sun Exploration & Production Co. The Yates Gas zone is uneconomical to produce. We are re-evaluating this zone and will work over the well in the latter part of 1983, or will dual dedicate with the Courtland Myers # 9.

18. I hereby certify that the foregoing is true and correct

INSTRUCTIONS

1. Is this gas well a dual completion? Yes ☒ No ☐
2. If the answer to Question 1 is Yes, are there any other
dually completed wells within the dedicated acreage?
Yes ☐ No ☒

A separate plat must be filed for each gas well, outlining the area dedicated to such well and showing the location of all other wells (oil and gas) within the outlined area.

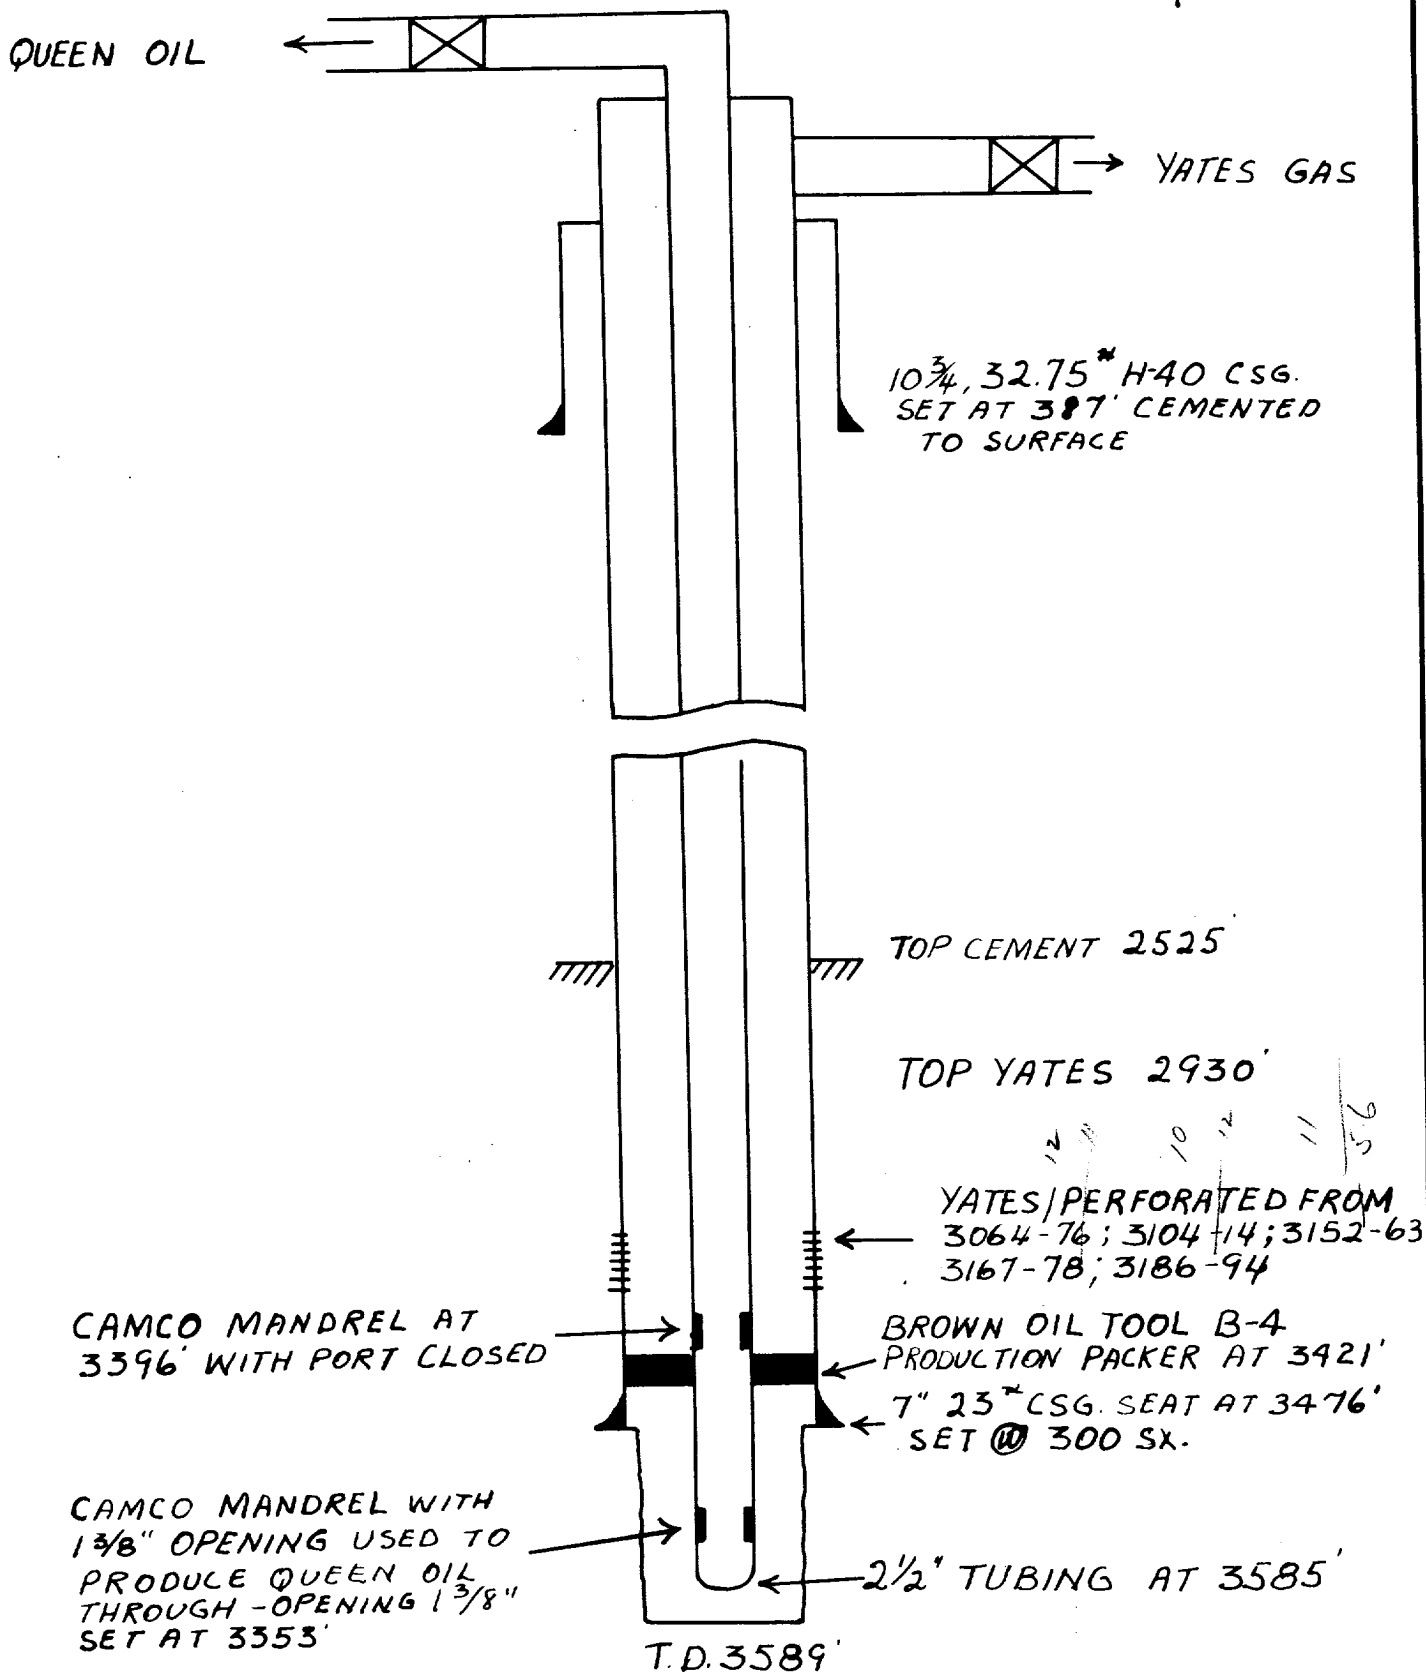

Mail in duplicate to the district office for the district in which the well is located.
