Form C-110

Gentlemen:

Under Form C-110 I stated that Form C-106, which is the request for permission to connect with pipe line, was filed April 14, 1940 because it is my understanding that only one application is necessary for each lease, and I thought that your office might be interested in knowing that your form was filed April 14, 1940. I can assure you that there was no other reason for my doing so.

Yours very truly,

KING, WARREN AND DYE

Phil Yeckel
