| Oil <input type="checkbox"/> Dry Gas <input type="checkbox"/> | |
| Casing head gas <input type="checkbox"/> Condensate <input type="checkbox"/> | |

Remarks

Lightning struck one of the tanks in the tank battery, rupturing the other tank. As the tank was leaking, it was mandatory that the oil be trucked out, in that the break was around the pipe line connection. Western Oil Transportation trucked the oil out - it was purchased by The Permian Corporation, Box 3119, Midland, Texas.

The undersigned certifies that the Rules and Regulations of the Oil Conservation Commission have been complied with.

Executed this the 10th day of July, 1964
