Hobbs, New Mexico

Attention: R. F. Montgomery - Proration Manager

Re: Water Frac - Fowler Hair No. 1

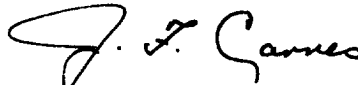

Gentlemen:

The attached forms (Miscellaneous Notices) for treating the well noted above should have been filed at an earlier date, however due to an oversight on our part they were not. The work was performed as outlined on August 16, 1958.

It is not our intention that this particular oversight occur again.

Very truly yours

TENNESSEE GAS TRANSMISSION COMPANY

J. F. Carnes  
District Engineer

JBB/lp
