Dear Sir:

I am returning herewith form C-105, "Well Record" for your Hair Well No. 1, in Sec. 11, T. 24 S., R. 37 E., as it was not submitted in triplicate. Kindly use the reverse side of the Well Record for the Formation Record and submit this report in triplicate.

According to my records, there are several delinquent reports for the above-mentioned well, so I am enclosing a Report Requirement list showing the delinquent reports. Your prompt attention in submitting these reports will be greatly appreciated.

Also, according to information I received in the field, the 8 $\frac{1}{4}$ " casing was cemented with 100 sacks. If this is correct, please add it to the "Cementing Record".

Very truly yours,

FJV:t
