Attention: Mr. R. F. Montgomery

Dear Mr. Montgomery:

In connection with the abandonment of our Hair B-1, Section 11, T24S, R37E, we believe that we have met the Commission's requirements as outlined in your letter of April 18th. The deadman wires have been cut, the name of the well and location have been written on the 4" marker with a welding torch and a bulldozer has leveled location and tank battery dike.

We would appreciate your having the location inspected again at your convenience.

Yours very truly,

DALPORT OIL CORPORATION
