Midland, Texas

Gentlemen:

According to our records the Fowler Hair No. 4 located in Unit C of Section 14, T-24-S, R-37-E was drilled by J. C. Watson Drilling Co. and plugged in 1945. We are, therefore, returning Form C-104 indicating that you are now the operator of the well. If in the future you wish to re-enter the well, the change of ownership may be shown on Form C-101 at that time.

Yours very truly,

OIL CONSERVATION COMMISSION
