Gentlemen:

Jeweler
This is to advise that on October 25, 1982 the Amoco Production Company's South Mattix Ut. #16 Tubb gas well located in Unit 0 of Section 15, Township 24S, Range 37-E, Lea County, New Mexico was disconnected from El Paso Natural Gas Co.'s gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to advise from the operator and inability of the well to produce into El Paso's gathering system. (Meter #61-164-01, Site Code #61164-01)

Yours truly,
