Dear Sir:

In accordance with Order R-2424A, Pan American Petroleum Corporation respectfully submits application for, and requests approval of, an unorthodox well location for our C. This unorthodox well location was occasioned by the completion of the Blinbry zone in a well originally drilled to the Devonian.

A plat showing the acreage dedicated, well location, and offset ownership is attached.

Waivers from offset operators are attached.

By certified mail copies of this letter are being furnished the offset operators notifying that application is being made for this unorthodox location.
