Dear Mr. Ramey:

With reference to your letter of December 6, 1973, advising us that Form C-101 covering intent to drill State 4, Section 4, T-10-S, R-33E, had been cancelled, we are enclosing a new Form C-101 refiling intention to drill.

We have been unable to obtain a rig and therefore no progress has been made on this location. Just as soon as we are able to secure a drilling rig, the well will be drilled.

Yours very truly,

C. J. Kruegel
