Sec. 17, T. 19 S., R. 32 E.
Lea County, New Mexico

Gentlemen:

More than 90 days have elapsed since the Application for Permit to Drill the referenced well was approved. Since we have not received any notice that drilling operations were commenced, our approval of the application has now expired.

If you should desire to drill a well at this location at some future date, a new Application for Permit to Drill may be resubmitted at that time.

Sincerely yours,

Arthur R. Brown
District Engineer
