

ATTACHMENT TO FORM 9-331C

APPLICATION FOR PERMIT TO DRILL

LEASE Myers B Federal WELL NO. 31
LOCATION Unit G, Sec. 6, T-24-S, R-37-E
POOL Jalmat Yates - Seven Rivers
COUNTY Lea County, New Mexico

The undersigned hereby states that Amoco's representative, Mr. Gary Jones, personally contacted Frances Randoff, the owner/lessee of the surface land where the proposed work is to be conducted and advised him of the proposed work, the construction site and pertinent roads included in the project. It is further stated that, upon being fully advised of the extent of the work and the effect upon the surface, said owner has consented to the said work and that agreement as to the compensation for damages to the surface estate has been reached.

If the well is a producer, all pits will be cut, filled and levelled as soon as practical after the pits are dry. If the well is a dry hole, pits will be filled as above, a dry hole marker will be installed and the location and pad will remain intact.
