

**NEW MEXICO OIL CONSERVATION COMMISSION  
WELL LOCATION AND ACREAGE DEDICATION PLAT**

Form C-102  
Supersedes C-102  
Effective 1-1-65

All distances must be from the outer boundaries of the Section

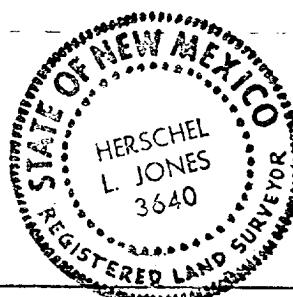

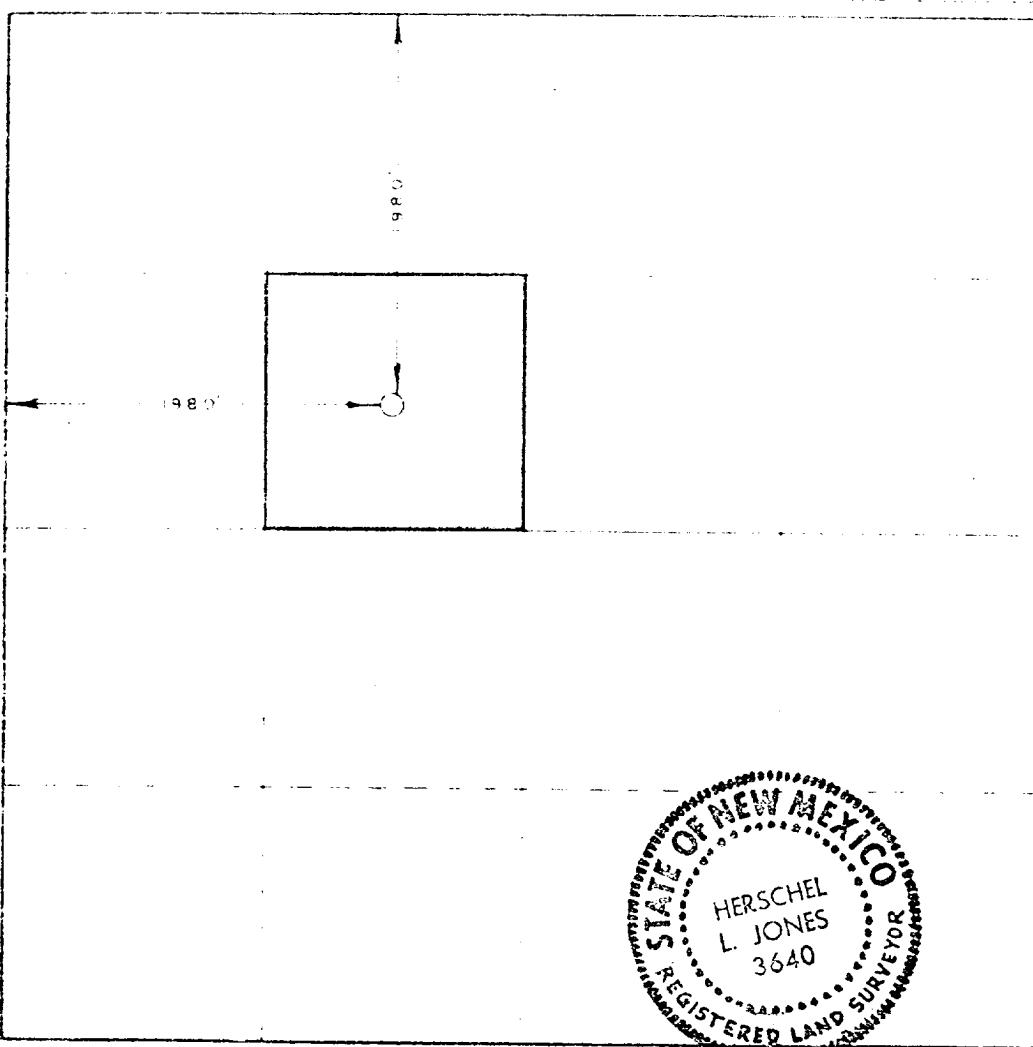

GETTY OIL COMPANY		Lease		Myers Langlie Mattix Unit		Well No.
"F"	4	24 South	37 E <sup>st</sup>	Lea		147
1980	North	1980		West		
3264	Queen		Langlie Mattix		40	

1. Outline the acreage dedicated to the subject well by colored pencil or hash-marks on the plat below.
2. If more than one lease is dedicated to the well, outline each and identify the ownership thereof (both as to working interest and royalty).
3. If more than one lease of different ownership is dedicated to the well, have the interests of all owners been consolidated by communitization, unitization, force-pooling, etc?

Yes       No      If answer is "yes," type of consolidation \_\_\_\_\_

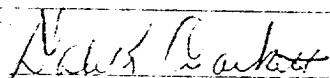

If answer is "no," list the owners and tract descriptions which have actually been consolidated. (Use reverse side of this form if necessary.)

No allowable will be assigned to the well until all interests have been consolidated by communitization, unitization, force-pooling, or otherwise. In fact, a non-standard unit, containing such interests, has been approved by the Commission.

**CERTIFICATION**

I hereby certify that the information contained herein is true and complete to the best of my knowledge and belief.

Area Superintendent

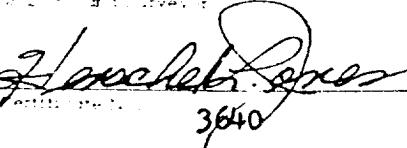

Getty Oil Co.

8-7-78

I hereby certify that the well location shown on this plat was plotted from field notes of actual surveys made by me or under my supervision, and that the same is true and correct to the best of my knowledge and belief.
