

This form is to be filled with the appropriate data from the Commission not later than 30 days after the completion of any newly drilled or deepened well. It shall be accompanied by a copy of all electrical and radioactivity logs run in the well and a summary of all special tests conducted, including drill stem tests. All depths reported shall be measured depths. In the case of irregularly drilled wells, true vertical depths shall also be reported. For multiple completions, Items 15 through 24 shall be reported for each zone. The form is to be filed in quadruplicate except on state land, where duplicates are required. (See Rule 11-5.)
