13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

This well is currently in a temporary abandonment status. Submitted for BLM's approval for extension of temporary abandonment status is the attached pressure test dated 5-16-95, evidencing that pressure held at 520 PSI for over 30 minutes.

APPROVED FOR 12 MONTH PERIOD

* Currently evaluating 3D seismic over this area. May provide some utility for this well bore in the future. 1st quarter of 1996.

14. I hereby certify that the foregoing is true and correct
