MEMORANDUM

TO: Kelly Myers
FROM: Harold Swain
DATE: April 21, 1989
Re: Liberty Royalties No. 6
660' FSL and 1400' FEL (O)
Section 7, T-24-S, R-37-E

Reference is made to our conversations regarding Doyle Hartman's plans to drill his Liberty Royalties Jalmat (Gas) well at a location consisting of 660' FSL and 1400' FEL (O) Section 7, T-24-S, R-37-E. You are the owner of the surface at this location and you have requested that we move our proposed well as far away as we can from the facilities you have in the area, which include an old homestead, livestock watering tanks, corals, a windmill, etc. Our proposed location of 660' FSL and 1400' FEL is a sufficient distance from your facilities.

Please acknowledge your approval by executing and returning one copy of this memo.
