SUBJECT: NM-55961*				
NAT Federal #1; 1980' FWL & 1650' FSL; Sec. 4, T20S, R33E				
formerly Mitchell Energy Corps. Anasazi "4" Fed. #5		APD STATUS—		
SUMMARY				

The captioned APD was originally filed by MEC, but Ronadero submitted sundry notices to change operator and to extend APD. BLM never approved these sundries because Ronadero did not have a bond in place w/BLM at that time. Ronadero did eventually secure a bond, but they no longer plan to drill the well. Mr. Hanagan stated that Ronadero does not need for BLM to return any paperwork to them.

*This lease was committed to CA NM 88508 on 2/1/93
