RE: Cancellation of Intent to Drill

Gentlemen:

On January 27, 1997 a new intent to drill the Eunice Monument South Unit #650 was submitted to the Oil Conservation Division, Hobbs District I office. With this new intent to drill, we must cancel the C-101 intent to drill that was approved on September 23, 1996 located at 287/S & 1460/W Section 5, T-21s, R-36e with API #30-025-33596 as of this date. To date no progress reports, Forms C-103, have been received. Therefore, approval of your permit to drill this well is canceled and no drilling operations are to be initiated without further notice to and approval by the Oil Conservation Division. Pending such approval, this will be considered as an abandoned location..

The new location for #650 is 250/N & 1135/W in Section 8, T-21s, R-36e with API #30-025-33800.

If you have further questions on this matter, please call the District I Hobbs office, (505) 393-6161.

Very truly yours,

OIL CONSERVATION DIVISION
