Radcliff 33-2
Sec. 33, T4S-R33E
Roosevelt Co., N.M.

This statement attests to the fact that I, the undersigned, in agreement with Pace Exploration Co. would like for the pits on the above mentioned wellsite to be left intact, and release Pace Exploration Co. from any other alterations on either the pad or said pits.

C. W. Radcliff
surface owner

W. B. Noles
Pace Exploration Manager

5-25-82 -- Tony Plattsmier, OCD Field Rep, checked this pit at this abandoned location -- it is not near a road for easy access of dumping of produced water. He visited with Mr. C.W. Radcliff, surface owner, and advised him that he would be held responsible for any misuse of the pit for dumping of salt water.
